We are truly honoured to write history here as one of the first guests in this beautiful place! An absolute treasure for enjoying a relaxed village life, near the beach, with all the luxury you need (or expect as a European; -9).

The staff is very helpfull & friendly, the food is very good and the prices very reasonable. We don't forget to mention the nice hammock area of which we know a lot of people are going to have unforgettable moments chilling out.

We hope to come here again some day finding the place as it was: a place of NATURAL BEAUTY!

Probably this is the best place to stay in Ponsol.

Chill out atmosphere, far from beaten touristic tracks and a cheerfull personel.

Highly recommended for those people who are looking for peaceful and calm place among the locals ~~and~~ A private beach with the best spot to watch sunset over a bottle of wine makes this place a real paradise.

Stayed 2 nights, enjoyed the Tuna fish barbecue, Red Horse beer Sunset and playing with children.

We spent such a nice time here, we will recommend you everywhere in Germany.

Your rooms are clean, nice and comfortable, just like a small home, and your friendliness made it so hard to leave. Your food is so amazing, the best we had in the Philippines.

Thank you so much
